Dear Mr. Fortkiewicz:

This letter is in response to your request for additional information, dated April 16, 2013. As we discussed, the Committee did not receive this letter at the same time it received the other requests dated on April 16, 2013.

1. All negative entries listed on Line 11(a)(i) were chargebacks, not refunds. They were recorded as negative receipts.
2. Your letter indicates that the Committee may have failed to file and timely file one or more of the required 24 hour reports for independent expenditures:

Missing Notices:

Thoburn Design & Illustration 10/4/12 and 10/5/12: The Committee received the invoices after the IE filing and was unaware of the charges at the time that they occurred. The Committee reported these on the pre-general filing because it had missed the 48 hour reports.

Freedomworks 10/1/12 \$3506.56: The Committee inadvertently neglected to include this on the 48 hour notice. The Committee reported it on the pre-general filing because it had missed the 48 hour notice.

AOL 10/8/12-all listed in this letter: The Committee inadvertently neglected to include these on the 48 hour notices. The Committee reported them on the pre-general filing because it had missed the 48 hour notices.

Freedomworks 10/1/12 \$508.20: The Committee inadvertently neglected to include this on the 48 hour notice. The Committee reported it on the pre-general filing because it had missed the 48 hour notice.

Thoburn Design & Illustration 10/11/12 \$180: The Committee received the invoice after the IE filing and was unaware of the charge at the time that it occurred. The Committee reported this on the pre-general filing because it had missed the 48 hour report.

Giovanni's Pizza 10/9/12 \$8.19: The original amount reported on the 48 hour notice did not include tip. This amount was in addition and was received after the initial 48 hour notice had been filed.

Page Printing 10/15/12 \$548.29: The Committee received the invoice after the IE filing and was unaware of the charge at the time that it occurred. The Committee reported this on the pre-general filing because it had missed the 48 hour report.

Freedomworks 10/8/12 \$900: The Committee inadvertently neglected to include this on the 48 hour notice. The Committee reported it on the pre-general filing because it had missed the 48 hour notice.

McAlister's Deli 10/13/12 \$138.77: The Committee received the invoice after the IE filing and was unaware of the charge at the time that it occurred. The Committee reported this on the pre-general filing because it had missed the 48 hour report.

Late 24 Hour Notices:

All IE's for Jeff Landry-Freedomworks, McAlister's Deli, Lowry's Printing, Robin Edwards, Phone Fax, Freedomworks, Perfect Fitz, and Freedomworks: Because the Freedomworks on 10/8 for \$900 and McAlister's Deli on 10/13 for \$138.77 were missed, the Committee was unaware that the \$10,000 threshold had been met and neglected to file the 48 hour notice at the correct time.

Adcoprint.com 10/1/12 \$631.30: The Committee filed the 48 hour notice as soon as it was aware of that the independent expenditure had been made.

Thoburn Design 10/11/12 \$157.50: The Committee received the invoice on 10/17/12, six days after the public dissemination, and filed the 48 hour notice on 10/18/12.

Page Printing 10/11/12 \$1695: The Committee filed the 48 hour notice as soon as it was aware of that the independent expenditure had been made.

The Committee notes that is filed hundreds of 24 and 48 notices of independent expenditures accurately and on time. The above list is a small percentage of the overall number of notices filed.

3. The Pre-General Report has been amended to correct the candidate information as requested.

4. The Pre-General Report has been amended to fully disclose the office sought as requested.

Sincerely,

R. Russ Walker
